

Dear Sirs,

A versatile, goal-oriented **ISTQB Certified Agile Advanced Technical Test Analyst (CTAL-TTA)** and **ISTQB Advanced Test Automation Engineer (CTAL-TAE)** is interested in taking up a challenging position in a reputable organization where my skills and knowledge can be utilized and extended.

With commitment and dedication, I always look forward to exploring new opportunities and challenges. Being a **hard-working** person with **an eye for detail** and **analytical** skills I can perform both **individually** and among the **team**. I have excellent **organizational** and communication **skills**.

I have a **Master of Science Engineer** degree in **Telecommunications** and **Electronics**.

I would like to work for a company that would give me the opportunity to **utilize** and broaden my **technical** skills. I know that if given a chance to work I would **prove** to be a **valuable asset**.

If you would like further information or an informal discussion then please do not hesitate to contact me on **0787 556 8940**, my e-mail is: **p_burzynski@yahoo.com**.

I look forward to hearing from you.

Yours faithfully,

Pawel Burzynski
